Dear friends and music lovers:

I am very pleased to hear that so many of you subscribed and enjoyed our eighth season of *Nocturnes* at our new location *in the City*.

It was an amazing year artistically, as always, and despite four major snowstorms, attendance was at times greater than at the Scarborough location. I applaud you, our loyal subscribers and sponsors. Without your support and generosity these wonderful performances would not be possible.

We will try to make it even better this upcoming season by offering a bonus concert to our subscribers at no extra cost; a Toronto Philharmonia concert on November 12, 2009 featuring Dvořák's *Stabat Mater* and Suchoň's *Balladic Suite* conducted by Maestro Kerry Stratton. This will be a truly memorable evening to commemorate the 20 year anniversary of the Velvet Revolution and fall of the Berlin wall, in addition to our regular program.

The 2009-2010 season will bring you four chamber music events, an opera aria evening and two jazz evenings featuring world renowned artists. It has always been our desire to showcase Czech, Slovak and Canadian artists who love and continually promote our culture and heritage. In order to continue this tradition we need your subscriptions and your most welcomed donations. Please subscribe, bring a friend to a concert and join our family of patrons and supporters so that we can keep bringing these musical gems to your door.

I look forward to seeing you on September 13th for our first evening featuring Czech and Slovak operatic arias.

Sincerely,

DR. MILOŠ KRAJNÝ
